

OrganizIT! Earns Esteemed 2014 Angie's List Super Service Award

Award reflects company's consistently high level of customer service

OrganizIT! Inc. has earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the consumer review service in 2014. OrganizIT! Inc. has earned this honor for the third year in a row.

"While we have only been recognized by Angie's List for four years, it is quite an accomplishment for us to be honored as a Super Service Award winner in each of the three years we were eligible. Receiving the Angie's List Super Service award is especially important, as Angie's List is a service based on a collection of feedback from its users/homeowners. So this recognition is really awarded from our satisfied customers, which makes this award even more satisfying.", said Gus Gougas, President of OrganizIT!

"Only about 5 percent of the companies OrganizIT! Inc. competes with in Los Angeles and Ventura counties are able to earn our Super Service Award," said Angie's List Founder Angie Hicks. "It's a mark of consistently great customer service."

Angie's List Super Service Award 2014 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, have a fully complete profile, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality. Members can find the 2014 Super Service Award logo next to company names in search results on AngiesList.com.
