

PRESS RELEASE

OrganizIT! is Featured in New Book

OrganizIT! Inc, a Chatsworth based company focusing on garage organization, is featured in a new book about garages, "**Big Book of Garages**", by Tina Skinner. OrganizIT! has over 40 project pictures highlighted and provided important industry information. Gus Gougas, of OrganizIT! said, "*We are proud to be a part of this great new book and to be recognized as a leader in the industry of garage organization*".

The 112 page, hard cover book has over 240 beautiful color photos and highlights everything from simple upgrades that improve the appearance and value of your home, to incredible makeovers that transform your garage into the greatest fantasy, this book has it all. The garage is often the predominate feature of the home, and its appearance directly effects curb appeal and the value of your investment. Explore the latest technology in floor, wall, cabinet, and door options to upgrade your garage. There are dozens of great ideas for getting storage off the floor and out of the way, if not out of sight. Then go beyond, exploring dozens of beautiful garages that will inspire you to turn yours into a showplace, and maybe even the neighborhood hang-out! This great new book is available now through Schiffer Publishing.
